MOLINE TOWNSHIP ACTIVITY CENTER

The Messenger

Volume 6 Issue 11 & 12 (309) 797-0789 November & December 2016

From the desk of Supervisor Don Johnston!

We have the final results for the *Concert in the Park* series for this year. We cleared \$5,035! In addition to those mentioned in the last *Messenger*, we would also like to thank the generosity of *Heartland, Rock Island Supportive Living & United HealthCare* for sponsoring food events for some of our concerts.

We had not held a *Craft Fair* for a couple of years but

decided to hold one this year. It was a wonderful success bringing \$776 into the MAC. We thank our crafters for all their hard work. They create crafts throughout the year that we sell daily at the *MAC Boutique* and then at the *Craft Fair*. Two great events we could not have done without the help of our wonderful volunteers!

We just held our 2nd *Trivia Night*. The final results will be posted in our next *Messenger*. A special thanks to our volunteer announcer, Tim, for not only asking/answering the questions for the eve but

but for his entertainment factor!

Thanks to all of you who have contributed to our giving box in the MAC for our clients at the Township. It is all very much appreciated. We are still in need of gently used winter coats, scarves, gloves, etc. to help them keep warm during the winter months.

With the Holidays just around the corner, I want to wish all of you a very joyful and peaceful Thanksgiving and Christmas & wish you all a Happy New Year.

Don

Craft Fair Review

Our one day craft fair went really well. We made \$776 profit. Our goal with these on going events is to purchase a new stove for the Center in 2017.

Thank you to all the volunteers who either donated items or their time to this event.
